SUMMARY

Enthusiastic and detail-oriented Full Stack Developer with 6 months of hands-on experience in designing, developing, and maintaining web applications using Laravel, PHP, HTML, CSS, and JavaScript. Skilled in building responsive front-end interfaces and robust back-end systems. Passionate about learning new technologies and improving code quality. Looking to contribute to a dynamic team where I can grow my technical skills and deliver impactful software solutions.

WORK EXPERIENCE

Perfect Webtech   **Jan 2025 - Present**

- Working as a Full Stack Developer focusing on Laravel, PHP, and React Native for mobile app development.
- Responsible for building dynamic web applications and mobile apps using REST APIs.
- Collaborating with designers and backend teams to create responsive and scalable applications.
- Performing debugging, API integrations, and handling database relationships using MySQL.

Nityam Webtech   **Aug 2024 - jan 2025**

- Completed 6-month internship where I learned and worked on HTML, CSS, JavaScript, PHP, Laravel, and WordPress.
- Built basic websites and admin dashboards with mobile-friendly design.
- Gained understanding of MVC structure and backend development with Laravel.
- Learned teamwork, project version control with Git, and debugging techniques.

EDUCATION

P.G.Patel Commerce College   **June 2022 - March 2025**
Saurashtra University,
- Focused on core commerce subjects with additional interest in IT and web technologies.
- Simultaneously pursued web development through self-learning and internships.
